

8. Technische Daten 8. Technical Data 8. Données techniques 8. Datos técnicos 8. Dati tecnici 8. 技术参数

Table with 14 columns: Messspanne, Ziffernschrittweite, Fehlergrenze, Schienenquerschnitt, Ausladung Mess- und Anzeispitze, Anzeige LCD, Zifferhöhe, Max. Verfahrgeschwindigkeit, Messsystem, Batterie Lithium 3 V, Betriebszeit, Temperaturbereich - Betrieb, Temperaturbereich - Lagerung, Schutzart, Datenausgang, Gewicht, Bestell-Nr.

9. Funktionen 9. Functions 9. Fonctions 9. Funciones 9. Funzioni 9. 功能

Instructions for switching between mm and inch, using the PRESET value, and the Sleep mode. Includes diagrams of the device and digital display examples.

ABSOLUT-RELATIV-Messmodus Measuring mode ABSOLUTE and RELATIVE Modes de mesure ABSOLU et RELATIF Modo de medición ABSOLUTO / RELATIVO ASSOLUTO-RELATIVO-Funzione di misura

Detailed instructions for switching between absolute and relative measurement modes. Includes diagrams of the device showing the 'REL' indicator on the display.

10. Datenausgang 10. Data Output 10. Sortie de données 10. Salida de datos 10. Uscita dati 10. 数据输出

Technical specifications for data output. Includes diagrams for Digimatic and Opto RS232C connections, timing diagrams for DataRequest and DataOut, and ASCII format details.

Display message section (Displaymeldung / Display Messages / Affichage de message / Mensajes de pantalla / Messaggi a Display / 报错提示). Includes an image of the device showing an error message.

Instructions for the Error mode. Shows how to use the RESET button and the ON/OFF buttons to exit error state.

UK Conformity Declaration (EU/UK-Konformitätserklärung). States the device complies with EU/UK standards.

Declaration of Conformity (EU/UK Declaration of Conformity). Provides details on the virtual COM port driver.

Declaration of Conformity (Déclaration de conformité UE/UK). States the device complies with CE and UKCA directives.

Declaration of Conformity (Declaración de conformidad de la UE/UK). Provides technical details about the device's compliance.

Declaration of Conformity (Dichiarazione di conformità UE/UK). States the device complies with EU/UK standards.

UK/UK Conformity Declaration (EU/UK-Konformitätserklärung). Includes contact information for Mahr GmbH.

Bestätigung der Rückführbarkeit Confirmation of traceability Confirmation sur la traçabilité Confirrmación de la rastreabilidad Conferma di rintracciabilità 可追溯性声明

Declaration of traceability. States that the product is made to high standards and provides contact information for Mahr GmbH.
